MESSAGE

I am glad to know that Annual Convention of Lions Club International will be held in Delhi in 2022. India is a leading destination for international Conferences, exhibitions and other important sporting events.

We regularly welcome delegates from all countries. We understand the value and importance of these events being open to all nationalities. We support entry for all participants attending provided Compliance with entry requirements has been met.

We assure the co-operation and support of the Tourism Ministry and look forward to welcoming Lions from different countries coming to Delhi.

Best wishes
